

INFO2180 - Lab 2 (10 marks)

Due Date: **Monday, September 24, 2018**

For this lab you will be required to work through the “**Learn Git**” course on Codecademy.

You will be required to submit the URL of your Codecademy profile page by the deadline specified above.

Step 1: Complete the Learn Git course

Units 1 - 4 of the “**Learn Git**” course. <https://www.codecademy.com/learn/learn-git>

Ensure you complete **ALL** lessons from *Basic Git Workflow* all the way to *Git Teamwork lesson*.

Note: You are not expected to do any items marked as **PRO**.

The screenshot shows the Codecademy website interface. At the top, there's a navigation bar with the Codecademy logo, links for Home, Community, and Catalog, and a purple 'Upgrade to Pro' button. Below the navigation bar, the main content area features a large card for the 'Learn Git' course. The card has a purple background with a white Git logo and text indicating 'Great job completing Learn Git' and 'COMPLETED'. A yellow 'COMPLETED' button is prominent, and a 'Reset Progress' link is visible. Below this card, a teal banner promotes upgrading for more practice and review, showing '8 Projects' and '4 Quizzes'. At the bottom, a syllabus table lists the course units: 'Basic Git Workflow', 'How to Backtrack in Git', 'Git Branching', and 'Git Teamwork', each with a green checkmark indicating completion.

Unit	Lesson	Status
1	Basic Git Workflow	Completed
2	How to Backtrack in Git	Completed
3	Git Branching	Completed
4	Git Teamwork	Completed

Step 2: Submit the link to your Codecademy Profile

1. Locate your Profile URL and Copy the URL of your profile page. It should be in the format <https://www.codecademy.com/your-user-name>. For example, if your username is **johndoe**, then the URL you will need to submit is <https://www.codecademy.com/johndoe>.

NOTE: If the all the lessons are complete you should see them show up on your profile page under the "Completed Skills" section.

2. Submit your information via the **"Lab 2 Submission"** link on OurVLE, with your Codecademy Profile URL. (e.g. <https://www.codecademy.com/your-user-name>)
