

INFO2180 - Lab 3 (10 marks)

Due Date: Tuesday, October 2, 2018

For this lab you will be required to work through the “**Introduction to JavaScript**” lesson on Codecademy.

You will be required to submit the URL of your Codecademy profile page by the deadline specified above.

Step 1: Complete Introduction to JavaScript course

Complete at least Units 1 - 8. <https://www.codecademy.com/learn/introduction-to-javascript>

Note: Ensure you complete **ALL** lessons from *Introduction to JavaScript* all the way to the end of the *Objects* lesson. If you can complete all 12 lessons (up to *Requests*) then that would be good.

Note: You are not expected to do any items marked as **PRO**.

Step 2: Submit the link to your Codecademy Profile

1. Locate your Profile URL and Copy the URL of your profile page. It should be in the format <https://www.codecademy.com/your-user-name>. For example, if your username is **johndoe**, then the URL you will need to submit is <https://www.codecademy.com/johndoe>.

NOTE: If all the lessons are complete you should see them show up on your profile page under the "Completed Skills" section.

2. Submit your information via the **"Lab 3 Submission"** link on OurVLE, with your Codecademy Profile URL. (e.g. <https://www.codecademy.com/your-user-name>)
